

BROWN UNIVERSITY FALL 2025 CLASS VISIT LIST

At Brown, we offer the opportunity for prospective students to attend a class during their visit to campus. Visitors are not permitted to visit courses which are not listed on the approved class list. The Office of College Admission does not want to inconvenience the Brown faculty who kindly allow guests the privilege of observing their classes. Thus, we ask that you follow a few guidelines when you sit in on a course:

1. **Please go to the front desk at the entrance of the Stephen Robert Campus Center to obtain the location of the course you are visiting.** If you are visiting a course after 5PM, please email classvisits@brown.edu at least 24 hours in advance to get the location.
2. **Arrive to the Campus Center at least 15 minutes prior to your scheduled class time** to allow ample time to make your way to the course location.
3. **Please introduce yourself to the professor to let them know you will be observing the course** unless the course is a large lecture in which case introducing yourself is not necessary.
4. **Please stay for the duration of the class** unless there is a break in which case you may leave during the break
5. **Please do not participate in the class** unless you are explicitly offered permission by the professor
6. In some cases, such as exam dates, visitors would not be permitted to observe the class, as indicated in the Conflicting Dates section. For the complete course catalog, professor information, and other information, you can visit [**cab.brown.edu**](http://cab.brown.edu).
