

Using Public Transport to CIS
Chinese International School
1 Hau Yuen Path, Braemar Hill, Hong Kong

Chinese International School is located on the Hong Kong island side of Victoria Harbour. The local district is North Point. Below are various modes of transport which you can use to get to our school.

Alternatively, you may take a taxi but since not all taxi drivers in Hong Kong speak English willingly it might be useful to give them our school address in Chinese.

香港北角寶馬山校園徑一號
漢基國際學校

Tel: 2510-7288 (CIS General Line)

Tel: 2512-5960 (University Counselling Office)

Upon arrival at CIS please register with our security staff at the Moongate entrance (approx. 50ft away from the CIS parking lot). The University Counselling Office is in Room 324, Level 3, located 2 floors above the glass enclosed Cafeteria. Our friendly security colleagues can also direct you to our office. Look forward to your visit!

From Kowloon Peninsula Side of Victoria Harbour

Take the MTR to Hung Hom (East Rail Line). Take the Exit D for the tunnel buses to Hong Kong Island. Take 108 tunnel bus to Braemar Hill Bus Terminus (B.H.B.T.) which is the last stop.
