# Fellowships & Scholarships

## Class of 2021

### Fulbright Scholarship

Twenty-four of the 27 Brown students and recent alumni who were awarded Fulbright scholarships for the 2021-22 academic year are undergraduates from the Class of 2021. These 24 Fulbright scholars will teach English, pursue graduate studies, or conduct independent research projects in 16 countries around the world. Brown University is a top producer of Fulbright scholars in the U.S. For the past six years, Brown ranked No. 1 or No. 2 in the nation for the most awardees.

### Rhodes Scholarship

Brown students are also competitive for the Rhodes Scholarship. A graduate from the Class of 2021 was one of thirty-two nationwide awardees of this prestigious scholarship, which covers all educational costs, relevant fees, and travel for two-three years of study at Oxford University in England.

### Schwarzman Scholarship

A graduate from the Class of 2021, one of 150 selected worldwide, was awarded the Schwarzman Scholarship to attend graduate school at the Tsinghua University in Beijing, China. Schwarzman scholars earn a one-year Master's degree in Global Affairs, learning how to become global leaders and help the world be a more interconnected, empathetic place through rigorous studies and immersion in Chinese culture.

## BROWN 2022

By expanding access to internship, research and teaching opportunities and the world-wide Brown alumni community, BrownConnect helps students enhance their learning and enables them to make better, more informed career choices after graduation.

# What is CareerLAB?

Linking students to internships, research opportunities, alumni and funding

Counseling, resources and programs to help students find, consider and pursue the opportunities that interest them

Engaging and connecting students with employers to benefit career exploration

## What services do we offer?

The BrownConnect initiative ensures that students have access to internship opportunities, summer funding, and alumni connections through an active web platform. The program also offers networking and career exploration events with alumni throughout the year.

The Career Counselors hold one-on-one meetings via phone, video chat, or in-person to help students assess their skills, interests, experiences, strengths and needs and to support students' exploration and pursuit of internships, jobs, and careers. The Career Education team offers dozens of assessment and skills-building workshops.

Peer Career Advisors and Graduate Fellows hold walk-in hours to assist undergraduate students and graduate candidates with resumes and cover letters, job and internship searches, and other career-related questions.

The Recruiting team hosts employers from a variety of industries at career fairs, coffee chats, information sessions, spotlight programs and on-campus interviews. They also review thousands of job and internship postings each year on the Handshake platform.

...and more
